About Us

At Underground Comedy Club, we bring Bengaluru the best in unfiltered, high-energy comedy. Located in the heart of the city, our stage hosts a vibrant mix of standup, improv, open mics, and exclusive shows featuring India's top talent and rising stars. With an intimate setting and acts in multiple languages, we celebrate the full spectrum of humor. Our mission is to champion the art of comedy while building a bold, inclusive space for artists to grow and audiences to experience unforgettable nights of laughter. Come for the vibes, stay for the laughs!

We're also one of Bengaluru's go-to spots for recording comedy—comedians trust us to shoot everything from specials to crowd work clips with top-notch quality. Our multi-cam setup, slick angles, and cozy vibe make sure the energy in the room translates perfectly on screen.
